

Mills Mobile Work Station

Product Images

Product Code: B70-8220

Short Description

3-in-1 Mobile Workstation designed to allow the installer to bring all of his tools, equipment and material to site in one mobile unit. This 3 piece work station is designed to streamline your work process, reducing the need for repeated trips to the van. The Mills Mobile Workstation features a telescopic handle, ensuring easy manoeuvrability, even when fully loaded. It comprises 3 stackable toolbox units for transportation and storage of tools equipment and components as follows:

- Base Unit - Ideal for power tools, larger tooling items and materials - dimensions: W 570 x D 400 x H 400mm
- Mid Unit - For smaller tools, this section is a toolbox with a lift-out tray - dimensions: W 570 x D 350 x H 335mm
- Top Unit - This is a component box section comprising of 12 removable component boxes

(W 120 x D 90 x H 100mm) - unit dimensions: W 570 x D 350 x H 160mm

- Detachable mid toolbox section with lift out tray for most hand tools
- Detachable top component box section
- Bottom bin with large 7" wheels
- Pull handle on top allows to conveniently maneuver
- Large metal latches connecting the units
- Huge storage volume for hand and power tools
- Dimensions (WxDxH) 570 x 462 x 886mm
