

Clean Core Cassette Connector Cleaner

Product Images

Product Code: C00-9819

Short Description

A simple low cost connector cleaner with replacement cartridge utilising a fabric on a cassette which quickly dry cleans all simplex fibre connectors. The cassette can be advanced over 400 times.

Designed for all types of simplex connectors

Compact size for easy hand-held operation

Dry-clean without the use of harmful substances

Replaceable cartridge constructed with anti-static material

Supplied with a removable cassette containing the fabric which supports 400 cleaning cycles

The cleaning fabric has super fine cross woven weave which permits dry cleaning of fibre optic connectors.
