

Fusion Universal Jacket Stripper

3.5 - 9mm

Product Images

Product Code: T70-9957

Short Description

This will quickly and easily strip round (CAT3, CAT5, CAT5e, CAT6, etc), flat and multi-conductor cable with an outside diameter of 1/8" - 3/8" (3.5mm - 9mm).

With the front "V" and "U" guide, you can even strip irregular or out of shape wire.

With a simple turn of a screw, you can easily strip different sizes of wire or cable.

Ref: 061520
