

# JCB Power Washer

## Product Images

Product Code: P57-4355

## Short Description

The JCB Petrol Pressure Washer delivers a high pressure of 3100 psi and a flow rate of 10.7L/min, ensuring efficient and effective cleaning for a variety of tasks.

Equipped with a commercial-grade AR triplex pump, ceramic pistons, and a brass head, this pressure washer is built to last. The pump can be easily serviced for optimal performance and longevity.

With a 12-meter (39ft) hose, you can clean large areas without the need to constantly move the pressure washer. This makes it ideal for cleaning patios, driveways, windows, estates, vehicles, or farms.

The JCB has an upgraded recoil cord for easy starting. Its sturdy 32mm tubular steel frame, anti-vibration feet, and puncture-proof tires provide stability, lower noise, and ease of movement on rough terrain.
