

# SC Multimode Duplex Connector Beige

Product Images

Product Code: T70-0138

## Short Description

---

A duplex SC multimode connector. Suitable for 3mm cable

## Description

---

A duplex SC multimode connector. Suitable for 3mm cable

### Applications

A push-pull coupling mechanism for easy insertion and stable results

A 2.5mm outer diameter zirconia ceramic ferrule with high end finish

Low insertion loss and back reflection RoHS, REACH SvHC compliant

Designed to conform to or exceed all relevant ISO/IEC and TIA/EIA standards

### Features

A push-pull coupling mechanism for easy insertion and stable results

A 2.5mm outer diameter zirconia ceramic ferrule with high end finish
