

Mills MasterClass Telecom Crimp Tool With 4 Die Sets

Product Images

Product Code: E00-0454

Short Description

Ratchet controlled tool frame made from hardened steel and fitted with bi-material comfort grip handles for extra comfort. Four high quality die sets are included to crimp modular plugs AMP RJ45 and RJ11, the 4-contact telephone handset connector RJ22 and BT631A and BT431A telephone plugs. The

tool frame is supplied with two thumb screws for tool-free die change.

For tidy storage and easy transportation, the tools are supplied in a strong PVC case with a foam cut-out for the tool frame, the four die sets and four empty storage locations for additional die sets.

Contents

- Ratchet-controlled tool frame
- Die set for modular plug AMP RJ45
- Die set for modular plug RJ11
- Die set for telephone handset plug RJ22
- Die set for BT telephone plug BT631A and BT431A

RJ45 die set is only suitable for RJ45 plugs manufactured by AMP or AMP style equivalents.
