Mills Utility Tote Tool Bag

Product Images Product Code: B70-0600

Short Description

Our all new utility tote tool bag, designed in association with the leading communication utility companies.

The bag has 12 external sealable pockets, ideal for tools, connectors, test meters and PDA's ,together

with 3 external tool loops for larger items such as hammers etc. Internally the hag has a further 5 tool

pockets and 8 tool loops.

The product benefits from a heavy duty carry handle with comfort grip and is also supplied with a robust shoulder strap. An overall cover flap prevents spillage, plastic base prevents water ingress. A hook and loop pad on the cover flap allows the bag to be easily customised with your company logo at little cost.

Features:

12 external pockets with flaps

3 tool loops

Customisable logo pad

Carry handle with comfort grip

Overall cover flap

Shoulder strap

5 internal pockets

8 internal tool loops

Dimensions 470 x 300 x 250mm

Maximum weight capacity: 15kg
