# Rod Set Standard HellermannTyton

Product Images

Product Code: C71-0748

---

## Short Description

---

This CS-SB rod set from HellermannTyton is a professional cable installation tool which enables installation jobs to be done in record time even in the most challenging environments. Rods made of glass reinforced plastic (GRP) are able to pull a cable weight of up to 80 kg. The product also allows its user to inspect, illuminate and retrieve. The complete system integrates rods, a variety of useful attachments and a bag to store all parts in one place.

Rods made of GRP (Glass Reinforced Plastic) are screwed together and fitted with one or more of the attachments. Three diameters and different bending radius ensure a high degree of flexibility, so that rods can either be bent, pulled or pushed.

### Set comprises:

- 1 x 4 mm x 1000 mm rod yellow
- 4 x 5 mm x 1000 mm rod red
- 175 mm white flexi lead
- split ring
- gender changer
- tuff hook
- mini eye
- domed bullet

Also known as a cable rodders or fish wire
