Dymo Rhino 4200 Label Printer

Product Images

Product Code: C28-2869

Short Description

The Rhino 4200 is a compact, easy to use, time-saving and economical general purpose labelling tool. It gets labelling jobs done fast - and done right. Easily navigate the familiar QWERTY keypad. Use one-touch Hot Key shortcuts to quickly cerate and format wire/cable wraps, flags, fixed-length labels and more. Print labels up to 19mm wide in a variety of materials and colours - PLUS print directly on heat-shrink tubes.

- Familiar style QWERTY keyboard or fast and easy text entry
- Patented Hot Keys provide shortcuts for creating and formatting wire/cable wraps, flags, Barcode 39 and Barcode 128, fixed-length, general and module labels
- Print 6mm, 9mm, 12mm and 19mm wide industrial-strength labels in a variety of materials and colours - PLUS print directly on heat-shrink tubes
- Favourites key provides single-key access to your most commonly used labels, symbols and terms
- Avoid repeated steps with the Custom key - customise and save settings for individual lable formats
- Pre-programmed library with 150 symbols and terms for security, electrical, pro A/V and facilities management
- Integrated rubber bumpers help prevent damage from accidental drops and falls
- Large back-lit display is easy to read, even in dimly-lit work areas
- • 5 printable lines and display screen of 2.56"
  • 100 Label Memory
  • Serialise labels
  • Print vertically, horizontally, 90 degrees, mirror text and functions to align, and format text
  • Select from a variety of text sizes or auto correct to fit text to label
- Auto save/auto power-off - extend battery life without losing current work
- Runs on 6 x AA batteries (not included) - also compatible with quick-charging Lithium-Ion battery

Dymo ref: S0955990
