
Block Terminal 66B

Product Images

Product Code: S83-2722

Short Description

Block terminal 66B measures 125 × 90 × 42 mm, and is intended for external use on a pole or a building when it is necessary to make a joint in the dropwire.

The enclosure needs to be configured with either Block Insert 1A 4 way (S83-1164) or Block Insert 2A 6 way (S83-1165) screw terminal blocks similar to the familiar "chocolate block" and intended for terminating and joining external cable such as drop wire.
