# Mills Cobra Rod Replacement

## 14mm x 150m

Product Images

Product Code: S00-3305

---

## Short Description

---

The Mills Cobra Continuous Rodding System represents a faster and more economical solution to screw together duct rods. Available in standard diameters from 4.5mm to 14mm and a range of lengths from 60 to 500m.

The conduit rods utilise high quality reinforced fibreglass rod with radically reinforced construction and high tensile strength, ensuring on-going reliability and performance.

Diameter: 14mm

Length: 150m

Weight: 33Kg
