
Mills Cobra Rod Replacement 14mm x 300m

Product Images

Product Code: S00-3311

Short Description

The Mills Cobra Continuous Rodding System represents a faster and more economical solution to screw together duct rods. Available in standard diameters from 4.5mm to 14mm and a range of lengths from 60 to 500m.

The conduit rods utilise high quality reinforced fibreglass rod with radically reinforced construction and high tensile strength, ensuring on-going reliability and performance.

Diameter: 14mm

Length: 300m

Weight: 67kg
