

Stanley FatMax Tool Apron

Product Images

Product Code: B70-3352

Short Description

The Stanley Tool Apron is made from hard-wearing, strong and durable 600 x 600 denier fabric. It has multiple pockets and loops to provide maximum organisation. The size and structure of these pockets allows easy access.

The tool belt comes complete with a tape pocket and an integrated hammer loop to keep these tools at convenient reach. In addition, it has ergonomic back padding for safety and comfort.

Dimensions: 600mm x 255mm x 75mm
