

Stanley FatMax Fixed Blade Knife

Product Images

Product Code: N72-3380

Short Description

The Stanley 0-10-780 fixed blade knife comes with 5 FatMax blades. It has a magnetic nose which stops the blade from falling out for easier changing, blade clamp for heavy-duty applications and a push button blade door release for quick and easy blade change.

There is also an auto rise blade storage holder that presents a blade for changing, a hardened steel wear plate in the nose which prolongs the useful life of the knife.

In addition, this blade knife has a thumb pad for comfort and the ergonomic cutting angle makes it ideal for flooring applications.

Overall Length: 6. 1/4"
