
Sandbag Hessian 750 x 325mm

Product Images

Product Code: S83-3183

Short Description

Hessian sandbags, 750mm x 325mm (30 x 13 inches) with tie string.

Description

The hessian sandbags with tiestrings are designed to provide protection from severe weather conditions and act as a flood defence, but can also be used in other environments where there is a leak or flood which needs containing. Also when filled, provide the ideal ballast for road signs in windy conditions.

Size 750mm x 325mm (30 x 13 inches) with tie string.
