

Cable Drum Trailer CD70 2750Kg

Product Images

Product Code: S00-0794

Short Description

This is a special order item. Please contact sales for a quote

Cable Trailers are equipped with braking and road lighting systems to conform with EEC Directives and are designed to travel fully laden at road speeds indicated on the UK Highway and most other European Countries. Variations can also be made to accommodate any individual Country specific requirements.

For safe and easy drum handling, all Cable Drum Trailers are fitted with hydraulic hand pump operated lift/lower systems as standard. When the drum is fully raised mechanical locks ensure drum security in transit.

Trailer CD70
