

# Mills Drill Bit Roll

## Product Images

**Product Code: B70-4505**

Drill bits not included

## Short Description

No more rummaging around blindly in the bottom of your tool bag for that drill bit with the new Mills drill bit roll holder.

Specifically designed to store and transport drill bits, enabling quick and easy access and identification to the bits inside (bits not included).

Features 12 x 8mm deep pockets, 6 x 15mm deep pockets and 6 x 38mm deep pockets. Secured with three quick-release buckles when rolled up and featuring a carrying handle.
