Product Images

Product Code: T70-5740

Short Description

Fusion Cat 5e LS0H Patch Leads pack of 10. \r\n \r\nSupplied loose in a single bag containing ten patch

leads saving you time by not having to open endless individual bags and uncoiling fiddly twist ties.

High quality Cat 5e UTP Patch Lead wired 258A (T568B) to 50 micron gold plated RJ45 connectors. Each cable is supplied with moulded strain relief boots for added protection.

All leads up to 5m are made using stranded core cable with cables over this length using solid core cable, which although not so flexible are more robust.

All leads up to 3m are supplied in packs of 10 with leads over this length being supplied individually
