Shovel Trenching - PolyFibrePRO

Product Images

Product Code: S83-3320

Short Description

Used for digging and cleaning out narrow trenches for cable and pipe laying

Description

Used for digging and cleaning out narrow trenches for cable and pipe laying

PolyFibrePRO - Solid forged contractors tools offering a high degree of fibreglass strength along with the comfort of a profile moulded PYD hand grip. Injection moulded polypropylene sheathing totally encloses the polyester resin fibreglass core, virtually eliminating the danger of handle breakage and potential injury. The PolyFibre PRO tool handle will not rot, shrink, dry out or become susceptible to breakage due to periods of inactivity. Outperforms the requirements of BS3388 under all tests.

Handle: 28" / 711mm PolyFibrePRO

Head Size: Blade : 7" Wide x 11" Length
