

Mills MasterClass 3-Way Fibre Optic Stripper

Product Images

Product Code: E00-6170

Short Description

Mills MasterClass 3 way fibre stripper with high frequency heat treated / induction hardened cutting

edges which ensure repeatable precision cutting and stripping to the very highest tolerances whilst offering extreme durability. The strippers further benefit from bi-material comfort grip handles for repetitive use. The three stripping edges are ideal for general fibre installation and assembly work, covering the following applications:

- Stripping and removal of 2mm outer jacket
- Stripping 900µm buffer insulation
- Stripping 250µm acrylate coating

Length: 162mm

Weight: 119g

Supersedes the discontinued E00-8248 Deluxe Fibre Optic Stripper

Ref: 126827

Mills MasterClass

This is a Mills MasterClass product and therefore benefits from the Mills MasterClass lifetime guarantee. In the unlikely event of any MasterClass product breaking during normal usage or failing to give complete satisfaction we will issue an immediate free replacement.
