

# Mills MasterClass Stripper Cable Sheath No 5

## Product Images

Product Code: E00-6626

## Short Description

---

Suitable for entering fibre or copper cable this is an exceptionally simple and robust stripper has capability to circumferentially and longitudinally strip sheath from cable 6-25mm. The hardened steel cutting blade automatically repositions depending on direction of travel making the tool suitable for most stripping applications, as well as plastic pipe cutting. TCommonly used for gaining access to the primary tubes underneath the sheathed product.

The ergonomic shape fit comfortably into the users' hand and the blade depth is easily adjustable.

Dimensions: 94 x 49 x 40mm

Colour – Yellow

This is a Mills MasterClass product and therefore benefits from the Mills MasterClass lifetime guarantee. In the unlikely event of any MasterClass product breaking during normal usage or failing to give complete satisfaction we will issue an immediate free replacement.
