Short Description

The Gold Standard for Universal Server Cabinets. ServerSmart Cab server cabinets provide the perfect

environment for universal housing of 19-inch servers. Their elegant appearance coupled with high-tech features and unparalleled cooling capabilities make them the ideal solution for leading edge infrastructure.

Features:

Accommodates all 19-inch rack mountable servers

Easy access via Cannon's unique 180 degree /270 degree opening doors

Can have a choice of door styles for rear access

Exceptional cooling ability for high power densities

Maximum cable entry through multiple cable glands in roof

Easy base access with maximum entry available

Four infinitely adjustable 19-inch mounting posts allowing universal server mounting - enables rapid and simple installation of servers

Cannon Exclusive: server cabinets' doors open 180 degrees when bayed and 270 degrees at end of bay or when stand-alone

Quick-release hinges on all doors

Two drop-in ribbed and lockable side panels

Single key operates side panel and door locks (non-locking versions available)

Multiple moulded finger cable entry glands in roof

Maximum cable access through base

Four transit castors fitted

Powder painted Velvet Black to RAL 9005. Other colours available on request.

Please note that prices for Cannon Technologies cabinets INCLUDE delivery to mainland UK. Please call sales for a quote for delivery to Northern Ireland, Eire, Channel Islands, Scottish Highlands or any other non-mainland UK locations.
