

Mills MasterClass Tri Head Duct Cutter

Product Images

Product Code: S83-6198

Short Description

An innovative plastic multi-size duct cutter with a revolving head giving 3 duct cutting ranges suitable for most popular sizes of PVC, CPVC, HDPE & other plastic tubing ducts used in the fibre blowing industry.

The revolving head is easily adjusted by a simple press button mechanism to provide 3 size indents allowing precise, burr free cuts from 0-25mm

Position 1 - Ducts from 0 -8mm

Position 2 - Ducts from 9mm to 18mm

Position 3 - Ducts from 19mm to 25mm

The tri head duct cutter also benefits from an S2 high speed steel cutting blade and can be locked in the closed position for storage. Overall length 215mm.

Mills MasterClass

This is a Mills MasterClass product and therefore benefits from the Mills MasterClass Lifetime Guarantee.

MasterClass comprises a complete range of high quality tooling which has been developed to meet the needs of the more discerning telecoms, datacomms, installation and maintenance engineer.

Every item in the MasterClass range has been carefully considered for its purpose, ease of use, grip and appearance to provide tooling and equipment of the very highest calibre.

In fact, the products are manufactured and designed to such a high standard that Mills supply a Lifetime Guarantee with each product, whereby should the product break under normal use it will be immediately replaced. For full details on the MasterClass Lifetime Guarantee, click [here](#)
