

# Mills MasterClass Fibre Stripper 1A

## Product Images

Product Code: E00-6912

## Short Description

A compact fibre optic cable stripper for circumferential and longitudinal stripping. At just 73mm long this versatile stripper is ideal for stripping in confined spaces. The stripper uses two 'V' groove steps 0-3.2mm and 3mm- 6.4mm, making it suitable for circumferential and longitudinal stripping of most soft sheath fibre optic cables including loose tube up to a maximum diameter of 6.4mm, including COF252.

**Mills MasterClass**

**This is a Mills MasterClass product and therefore benefits from the Mills MasterClass Lifetime Guarantee.**

MasterClass comprises a complete range of high quality tooling which has been developed to meet the needs of the more discerning telecoms, datacomms, installation and maintenance engineer.

Every item in the MasterClass range has been carefully considered for its purpose, ease of use, grip and appearance to provide tooling and equipment of the very highest calibre.

In fact, the products are manufactured and designed to such a high standard that Mills supply a Lifetime Guarantee with each product, whereby should the product break under normal use it will be immediately replaced. For full details on the MasterClass Lifetime Guarantee, click [here](#)
