25/04/2024

cut microduct up to an outside diameter of 10mm, making it essential in awkward access areas.

The tool benefits from a locking catch for blade security when not in use and comfort grip handles for repetitive applications.

Overall length 175mm.

Mills MasterClass

This is a Mills MasterClass product and therefore benefits from the Mills MasterClass Lifetime Guarantee.

MasterClass comprises a complete range of high quality tooling which has been developed to meet the needs of the more discerning telecoms, datacomms, installation and maintenance engineer.

Every item in the MasterClass range has been carefully considered for its purpose, ease of use, grip and appearance to provide tooling and equipment of the very highest calibre.

In fact, the products are manufactured and designed to such a high standard that Mills supply a Lifetime Guarantee with each product, whereby should the product break under normal use it will be immediately replaced. For full details on the MasterClass Lifetime Guarantee, click [here](#)
