

Universal Mechanical Splice Connector

Product Images

Product Code: Y70-6853

Short Description

Universal Mechanical Splice. A simple, quick and low cost universal splice for splicing both singlemode and multimode fibre (250/250, 250/900 and 900/900), giving an average 'blind' splice loss of 0.2dB. The Mechanical Splice needs to be used in conjunction the Mechanical Splice Jig (Part Number Y70-6852) and requires minimum training.

- Singlemode and Multimode Fibres
- High Performance <0.2dB insertion loss
- Minimum Tooling Requirements
- Limited Installer Training Required
- Suitable for FTTx, Metro and Enterprise Networks
- No Epoxy or Electricity Required
- Suitable for 250 or 900 Fibres
