

Sticklers CleanClicker Fibre Cleaner Cassette

Product Images

Product Code: C05-4803

Short Description

Ferrule End-Face Cleaner for SC and LC duplex, ST, FC, E2000, and female (no guide pin) MPO cable assemblies.

Micro-woven lint-free cleaning ribbon provides high absorbency whilst trapping dust particles. Manual advance cleaning wheel enables operator to get more cleaning than traditional shutter and trigger-style cassette cleaners.
