Product Code: S00-8308

Short Description

Helps to reduce ladder slippage on many hazardous surfaces both inside and outside

Description

The LadderM8rix Pro-Plus ladder accessory helps to reduce ladder slippage and can be used on many hazardous surfaces outside, but with the added edition of a the heavy duty rubber on the underside of its carry case so it can be used indoors too.

Simply open the carry case, (leaving the Pro-Plus still in its case) and it can be used on hazardous interior surfaces such as ceramic or marble tiles, laminate flooring, vinyl or even

glass floors.

Then to use it outside, just remove it from the Pro-Plus case.
