

# Gfast Cabinet Jointers Tent

## Product Images

Product Code: S00-6415

## Short Description

### A Specialist Quick Erect Jointers Tent Designed Specifically For Use With G.fast Street Cabinets

A specialist jointers tent designed to be large enough to cover a PCP (7x7) cabinet with Gfast bolt-on pod.

This telecommunication quick erect tent is ready for use in 10-15 seconds, manufactured from 350gms translucent PVC reinforced flame retardant (BS7837:1996) material that allows natural light through into the work area. The tent is supplied with 3 guy lines & tent pegs in a heavy duty storage bag. Please note this tent benefits from an additional easy access rear door entry.

- 350gms Translucent PVC reinforced Flame Retardant BS7837:1996 – allows maximum amount of natural light into work area
  - Material replicates a frosted bathroom window with no direct visibility through
  - Seams 100% waterproof
  - Robust die cast central joints
  - Centre joint rubber protection (integrated) non conductivity and finger protection
  - Internal guy line for anchoring to cabinet
  - Fibreglass framework
  - Rubber protected feet for extended product life
  - Non-conductive
  - 3off Guy lines & Tent pegs
  - All spare parts available
  - No Loose components – integrated frame & cover
  - Rear door access
  - Wet storage properties
- 
- Dimensions Erect: 1.10 m x 1.95m x 1.45m
  - Dimension folded in storage sack: 1.45 x 0.35 x 0.35m.
  - Weight :14kg
