

# Bosch GBH 18 V-26 F SDS Plus Brushless Rotary Hammer

Product Images

Product Code: P09-5681

## Short Description

Bosch GBH 18 V-26 F SDS+ Plus Brushless Rotary Hammer

1

- Brushless EC motor: compact, dust-protected, lightweight and absolutely maintenance-free
- Vibration Control: decoupled handle for low user fatigue
- Long runtime: up to 216 holes in concrete with only one battery charge (6 x 40 mm)
- LED worklight: an optimum view of the work position
- Ergonomic design: best horizontal power transfer to the hole
- Electronic Cell Protection (ECP): protects the battery against overloading, overheating and deep discharge
- Innovative COOLPACK batteries: ensure optimum heat dissipation and therefore increase lifetime by up to 100% (cf. Li-Ion batteries without COOLPACK)
- No memory effect: the battery can be charged regardless of the charging state at any time, without damaging the cells
- Fastest charging time: 80% of the battery is charged after 35 mins
- Quick-change chuck for fast changes between drilling with impact in concrete and drilling without impact in wood and metal
- 50% more power with the impact force of a corded tool for fast, versatile use (compared to predecessor GBH 18 V-EC)
- Increased user protection with KickBack Control (KBC) and better control with Electronic Precision Control (EPC)
- Drill without dust thanks to the new integrated, optional GDE 18V-16 dust extraction system

### **Performance data**

Max. impact energy 2.6 J

Impact rate at rated speed 0 – 4.350 bpm

Rated speed 0 – 890 rpm

Bit holder SDS-plus

### **Battery (Not included)**

Battery voltage 18 V

Battery capacity 6,0 Ah

### **Size**

Length 347,0 mm

Height 225,0 mm

### **Drilling range**

Drilling dia. in concrete with hammer drill bits 4 – 26 mm

Optimum app. range in concrete with hammer drill bits 8 – 16 mm

Max. drilling diameter in steel 13 mm

Max. drilling diameter in wood 30 mm

### **Batteries not included**

Supplied with Auxiliary handle, Depth stop, Machine cloth, Quick change chuck 13 mm, SDS plus quick-change chuck in a cardboard box.

## Description

---

### Bosch GBH 18 V-26 F SDS+ Plus Brushless Rotary Hammer

- Brushless EC motor: compact, dust-protected, lightweight and absolutely maintenance-free
- Vibration Control: decoupled handle for low user fatigue
- Long runtime: up to 216 holes in concrete with only one battery charge (6 x 40 mm)
- LED worklight: an optimum view of the work position
- Ergonomic design: best horizontal power transfer to the hole
- Electronic Cell Protection (ECP): protects the battery against overloading, overheating and deep discharge
- Innovative COOLPACK batteries: ensure optimum heat dissipation and therefore increase lifetime by up to 100% (cf. Li-Ion batteries without COOLPACK)
- No memory effect: the battery can be charged regardless of the charging state at any time, without damaging the cells
- Fastest charging time: 80% of the battery is charged after 35 mins
- Quick-change chuck for fast changes between drilling with impact in concrete and drilling without impact in wood and metal
- 50% more power with the impact force of a corded tool for fast, versatile use (compared to predecessor GBH 18 V-EC)
- Increased user protection with KickBack Control (KBC) and better control with Electronic Precision Control (EPC)
- Drill without dust thanks to the new integrated, optional GDE 18V-16 dust extraction system

### Performance data

Max. impact energy 2.6 J

Impact rate at rated speed 0 – 4.350 bpm

Rated speed 0 – 890 rpm

Bit holder SDS-plus

### Battery (Not included)

Battery voltage 18 V

Battery capacity 6,0 Ah

### Size
