# Bosch GBA 2.0Ah 36v Coolpack Li-Ion Battery

Product Images

Product Code: P09-7342

---

## Short Description

---

The high-performance 36 V battery with 2.0 Ah and COOLPACK technology

- Extremely robust: fully functional even after a 3-m drop onto concrete
- Min. 50% longer runtime (cf. 1.3 Ah battery)
- COOLPACK technology for up to 100% longer lifetime (cf. battery without COOLPACK)
- Bosch flexible power system – battery suitable for all tools in one voltage class

Battery voltage 36 V

Battery capacity 2,0 Ah

Size Variable (LxWxH) 143x81x54 mm

Weight 700 g
