
Bosch GBA 6.0Ah 36v Coolpack Li-Ion Battery

Product Images

Product Code: P09-5269

Short Description

The powerful 36-volt XL battery with 6.0 Ah and CoolPack technology

FEATURES

- At least 50% longer runtime compared to the 36V 4.0 Ah battery
- CoolPack technology for up to 100% longer life compared to a battery without CoolPack technology
- Extremely robust - fully functional even after a fall of 3m on concrete
- Bosch flexible Power System - Battery suitable for all Bosch Blue Professional devices in the 36 volt class
- Same size as the GBA 4.0Ah battery in the 36 volt class and only weighs 1.3Kg

SPECIFICATION

- Battery Voltage: 36 V
- Battery Capacity: 6 Ah
- Size (LxWxH): 158 x 97 x 76 mm
- Weight: 1.3 Kg
