

Bosch GOP 30-28 Professional Starlock Plus Multicutter 110v

Product Images

Product Code: P09-5272

Short Description

The GOP 30-28 Professional, is in the Starlock Plus performance class and features a power of over 300

watts.

FEATURES

- Professional multi-cutter optimised to fit Starlock Plus blades
- 300W motor with oscillating action provides fast and efficient work progress for many different cutting and sanding applications
- 3D interface gives maximum power transmission
- Light weight and small grip circumference gives comfortable use and easy handling
- Perfectly suited to applications in tight spaces or overhead
- Variable speed dial provides greater control and accuracy
- Flexible ball grommet cord provides greater flexibility of movement
- Supplied in an L-Boxx carry case and includes numerous Starlock accessories

SPECIFICATION

- Power Input: 300 W
- Oscillations: 8,000 – 20,000 opm
- Oscillation amplitude: 2.8° (2x 1.4°)
- Grip circumference: 175 mm
- Tool length: 280 mm
- Tool holder: StarlockPlus™ (Allen Key)
- Weight: 1.5 kg

CONTENTS

- 1x AVZ 93 G Sanding Base
- 5x Assorted Delta Sanding Sheets (2x P80, 2x P120, 1x P240)
- 1x ACZ 85 EB BIM Wood + Metal Segment Saw Blade
- 1x ACZ 85 RT3 Carbide RIFF Grout + Abrasive Segment Saw Blade
- 1x AVZ 78 RT2 Carbide RIFF Grout + Abrasive Sanding Plate
- 1x PAII 65 APB BIM Wood + Metal Plunge Cut Saw Blade
- 1x AIZ 20 AB BIM Wood + Metal Plunge Cut Saw Blade
- 1x PAIZ 32 AT MetalMax Plunge Cut Saw Blade
- 1x AIZ 32 APB BIM Wood + Metal Plunge Cut Saw Blade
- 1x AII 65 APB BIM Wood + Metal Plunge Cut Saw Blade
- 1x PAIZ 32 APB BIM Wood + Metal Plunge Cut Saw Blade
- 1x AII 65 BSPB BIM Hardwood Plunge Cut Saw Blade
