

Kaeser M17 Portable Compressor

Product Images

Product Code: 101-30011

Short Description

Versatile, reliable and easy to transport: This small compressor takes up minimal loading space and, with its high-quality motor and extremely impact-resistant PE enclosure, it's ready for anything.

The 15-bar version is the ideal choice for trenchless laying of glass fibre cables or for leakage tests.

An external compressed air aftercooler can also be optionally connected to ensure a dependable supply of cool, condensate-free air at all times.

Flow Rate: 1.0 m³/min or 35cfm

Operating Pressure: 15 bar or 215 PSI

Petrol Engine: Honda GX630

Engine Rated Power: 15.5 kW

Fuel Tank Capacity: 20 Litres

Operational Weight: 204 KG

For more information, please see the datasheet or call sales for a quote.
