

Mills Magnetic Torch Holder

Product Images

Product Code: M99-6998

Short Description

Designed to be used in conjunction with the Mills M99-6916 'Millslite LED Torch and Worklight', the holder is ideal for accurate positioning on most magnetic surfaces and benefits from 4 friction pads which prevent damage to the work area and also provide additional grip on sheer finishes.

This magnetic clamp was originally designed in conjunction telecom providers for use in exchanges and street cabinets, allowing light to be directed into difficult to access positions.

The base of the clamp measures 50mm x 50mm and the product is manufactured in fluorescent (glow in the dark) nylon
