

Glove ISO Cut E & Oil Resistant

Product Images

Product Code: S26-7546

Short Description

The Pawā® PG515 is a toughened glove that provides exceptional Cut Level E protection thanks to its cut-resistant liner and reinforced thumb crotch. The PG515 also boasts an oil-repellent, palm coating which affords excellent grip across greasy applications.

Features

EN ISO Cut Level E protection

PawāEDGE™ HPPE / Steel Fibre / Polyester Liner

PawāDRY™ Oil Repellent Nitrile Coating

PawāGRIP™ Enhanced Sandy Nitrile Grip for oily environments

Provides protection from oil, hydrocarbons, greases and sharps

Excellent Mechanical Resistance to abrasions and tears
