Screwdriver VDE Pozi No.2 x 200mm

Product Images

Product Code: F70-7356

Short Description

Precision high voltage insulated 1000V Pozidriv screwdriver with Kraftform handle for excellent comfort and control.

Kraftform ergonomic handle with soft and hard zones

Soft zones for extra grip and pressure with optimal contact zones resulting in increased torque transfer

Hard zones designed for full hand contact when driving for fast friction free working

Hexagon shoulder to avoid rolling

Size and tip type marked on the end of the handle for instant identification of the right screwdriver

Standard - IEC 60900

Tip Type - Pozidriv

Tip Size - Pozi No.2

Screwdriver Type - Insulated

Blade Length - 200 mm

Overall Length - 305 mm

VDE/1000V Approved - Yes
