
1/2" Cleaning / Application Brush

Product Images

Product Code: R99-7383

Short Description

This Superflow paint brush has synthetic bristles which are made from TECHNOFIL® filaments and which guarantee excellent performance with no bristle loss. Fitted with a 'Kaiser' style lacquered wooden handle for user comfort, the brush offers superb performance with all modern water based paints. Can also be used with all other types of

paint.

Manufactured to the highest standard using the very best materials. The bristles are bonded using top quality resin to avoid any shedding. Handles are made from natural wood from renewable sources. The stainless steel ferrules are rustproof.
