

Aluminium RapidGrip® Wrench 450mm 18"

Product Images

Product Code: H70-7394

Short Description

The RIDGID Aluminium RapidGrip® Wrench has all the great benefits of the heavy-duty RapidGrip® wrench but it is 35% lighter than heavy-duty models.

It offers quick one-handed operation with a spring-loaded jaw design that provides rapid

ratcheting action.

The unique combination heel/hook jaw design bites the workpiece aggressively and ensures a secure grip.

Size: 450mm (18in)

Capacity: Pipe: 80mm (3in), Fittings: 65mm (2.1/2in)

Weight: 1.9kg
