

Cable Drum Jack Plinth (Pair)

Product Images

Product Code: C00-7612

Short Description

Cable drums are increasingly becoming larger but not necessarily heavier. Common practice is to build up the jacks with sleepers, or wood blocks (most definitely not recommended) Jack Plinths give an additional 300mm of lift safely.

Length:1200mm

Width: 320mm

Height: 300mm

Weight: 60Kgs/Pair

Cable drum jacks not included
