Description

An 'L' shaped clamp which quickly fixes to the Mobra frame. The umbrella clamp accepts most umbrella with a stock of 18-34mm.

Please note that this product does not require the use of the Pitmate Mobra Arm Bracket.

The Pitmate range of products and accessories have been specifically designed in conjunction with telecom engineers to assist field operational staff with the installation of telecommunication equipment.

The Pitmate System comprises a fully adjustable arm which can be quickly clamped into the pit metal frame work. Once clamped in position, splicing trays and cable reel stands can quickly and easily be attached providing a stable platform whilst on site
