Applications

Cleaning anti-graffiti Coatings

easy-off graffiti remover and subsequently easy-off wipes were specifically formulated to work harmoniously with easy-on anti-graffiti coating. Proven not to reduce the lifecycle of "true permanent" coatings easy-off wipes offer a safe and strong chemical free option for graffiti removal. Over years of live testing, we have shown easy-off wipes to be capable of cleaning many other anti-graffiti finishes without damage occurring and recommend them if safe, chemical free graffiti removal is your objective.

Adhesive Remover

easy-off is an incredibly effective adhesive remover and these cleaning wipes get straight to work softening glue, melting adhesive and mopping up uncured silicone. Ideal for removing sticky residue left behind by stickers on all hard surfaces easy-off adhesive removing wipes leave surfaces sticky tack and

gum free and looking great.

Decorators Wipes

Paint splashes, spills and over-spray are all quickly removed from hard surfaces with easy-off graffiti removing wipes. In it's own right easy-off graffiti remover is a fast acting, safe graffiti remover and these easy-off saturated cleaning wipes perform brilliantly when cleaning up paint is required. easy-off wipes are so effective they can even be used to clean up uncured epoxy paint and uncured silicone and decorators caulk.
