# TH 2000PZ Handy Auto Blowlamp with Gas

Product Images

Product Code: S99-7649

---

## Short Description

---

This auto blowlamp has a highly ergonomic, shock-resistant polypropylene handle for comfortable use. With Piezo automatic ignition, it is extremely easy to light. The brass burner produces a flame which allows fine adjustment via a nozzle. It can be operated off either the Campingaz® CG1750 or CG3500 valve cartridges.

Specification:

- Gas consumption: 175g/h
- Flame temperature: 1,750°C
- Supplied with a CG1750 gas cartridge
- Runtime: 1h with CG1750

Weight: 227g
