

Stanley T10X 2-in-1 Cable Tacker

Product Images

Product Code: S57-5461

Short Description

The Stanley T10X 2-in-1 Cable Tacker fires round and flat staples for wire and general tacking.

The Hi/Lo adjustment allows for use on different surfaces and the captive reload with no loose parts ensures the tacker is easy to reload.

The cable tacker also has a patented anti-jam for less down time and product failure and an easy squeeze 'less force in more power out' feature.

Features & Benefits

A durable, light duty staple gun specifically tailored for use with crown staples for cable installation applications

High and low power setting to control intensity of staple application when working on a variety of hard and soft materials

Anti-jam mechanism for continuous use and reliable operation

Lock down handle for safe storage and transportation

Built in front wire guide for accurate alignment of staples to press down on cables and other low voltage wires

Fires STANLEY® CT300 Crown staples in 8mm (1-CT305T), 10mm (1-CT306T) and 12mm (1-CT308T) and STANLEY® CT100 Crown staples in 10mm (1-CT106T), 11mm (1-CT107T), 12mm (1-CT108T) and 14mm (1-CT109T)
