# Lacer 5 Insulated Wire Loop Puller 380mm

**Product Images**

**Product Code: C00-0139**

---

## Short Description

---

Durable red anodized aluminium handle facilitates pulling wire through terminal blocks, rings on main frame or fanning strip holes. Length 380mm

## Description

---

Durable red anodized aluminium handle facilitates pulling wire through terminal blocks, rings on main frame or fanning strip holes.

Loop is 12" long and crimped for a narrower profile and easier use in tight terminal blocks.

The loop is coated with blue Xylan to prevent shorts and electrical shocks.

Overall length 380mm

Ref: 131955
