Product Images

Product Code: S00-9351

## Short Description

---

King Kombo is the world's first and only 3-in-1 extension ladder, leaning ladder and stepladder combination, in one lightweight package. 8 rungs x 2 sections.

## Description

---

King Kombo is the world's first and only 3-in-1 extension ladder, leaning ladder and stepladder combination, in one lightweight package.

King Kombo Industrial brings all the power and speed, with ultra-heavy-duty feet with seriously aggressive tread for elite traction and durability for harsh industrial environments. King Kombo Industrial also brings a tough corner, pole, and stud gripping V-bar for the extension ladder position. This heavy-duty grip conforms to inside and outside corners and even offers protection for damageable leaning surfaces like paint, drywall, and stucco and round poles. Speed, power, and safety—prepare to be faster and safer than ever on the job!
