Platform Size: 330 x 330mm - Weight: 10.9kg

Description

The MightyLite is significantly lighter than any comparable traditional stepladder and the platform design helps to prevent users from standing on the top step or top cap, the most common cause of severe stepladder falls.

The MightyLite's patented-pending Ground Cue prevents injuries by signaling the user when it is safe to dismount the ladder.

The MightyLite's no-pinch platform design opens easily from a slim 5" storage profile and offers wide, comfortable treads on each step, with a spacious, comfortable standing deck. Its innovative top cap allows to you keep everything you need close at hand—no more trips up and down the ladder for tools or hardware.
