Product Images

Product Code: S83-0593

Short Description

Solid forged, designed to scoop out loose earth from the bottom of deep trenches and post holes.

Ref: 077876

Manufacturer Part Code BTEXCSPOFGINS

Description

Solid forged, designed to scoop out loose earth from the bottom of deep trenches and post holes.

Shocksafe - A range of insulated contractors tools providing full conformity to the exacting specifications of BS8020:Tools for Live Working. BS8020:2002 demands full adherence to detailed manufacturing and testing procedures for safe working practices to be maintained by the user when working on or in close proximity to live conductor cables.

A specially integrated collar prevents the user's hand slipping onto the steel blade. Every single tool is flash tested to 10,000 Volts before being uniquely numbered and the issue of a certificate, unique to each item. This ensures total traceability and a guarantee of safety to the user in a potentially dangerous live-working environment.

Handle: 78" Solid Core Fibreglass BS8020 Shocksafe

Head size: 9 1/2" x 6 1/2" x 3"
