# Seikoh Giken HandiMate Cleaner SM-502

Product Images

Product Code: C05-1099

## Short Description

---

Extra durable, compact and highly reliable cleaner for connector end-face suitable for cleaning in the field and factory.

## Description

---

The new, enhanced HandiMate cleaner incorporates a synthetic cleaning cloth offering greater durability, usability and improved reliability.

The SHM-502 results in a handheld connector cleaner that is strong enough for aggressive cleaning of a wider range of contaminants, soils and end-face debris.

Stable, consistent, cleaning performance regardless of operator skill thanks to its patent pending Slide-Guide connector holder.

### Key Features

Extra durable, compact and highly reliable cleaner for connector end-face suitable for cleaning in the field and factory.

Automatic "Clean and Advance" tape technology provides a fresh cleaning surface for each use eliminating waste and guaranteeing long tool life.

Packaged in a handy palm sized unit, the unit enables more than 500 times cleaning.

Works with both Simplex or Duplex applications.

ESD Anti-static materials.

Supports both PC and APC endface designs.

### Applications

Customer premises, troubleshooting / maintenance

Pedestals, COs, Head-Ends, Routine Testing

Installation / Assembly / Production environments
