**Product Images**

**Product Code: R99-1704**

---

## Short Description

---

Reinforced, extra strong adhesive tape for very demanding sealing, securing, reinforcing and packaging situations.

## Description

---

Reinforced, extra strong adhesive tape for very demanding sealing, securing, reinforcing and packaging situations.

Filament tapes are based on biaxial oriented polypropylene-film (BOPP) with fibre glass longitudinal and crossweave reinforcement and coated with an aggressive sticky synthetic rubber adhesive.

Extremely strong tape excellent for bundling heavy products, sealing and reinforcing

Ideal to use with heavy boxes and container boxes

Length: 50 metres

Width: 50 mm
